## The Sun Of The First Day

The sun of the first day  
Put the question  
To the new manifestation of life-  
Who are you?  
There was no answer.  
Years passed by.

The last sun of the last day  
Uttered the question  
on the shore of the western sea  
In the hush of evening-  
Who are you?  
No answer came again.
